MR. SIMON KEEPS OUTSTANDING REPUTATION

Officially, Mr. Bernard Simon, Assistant Principal, defines himself "the co-ordinator between faculty, students and administration." Unofficially, however, his varied activities can hardly be defined.

Mr. Simon received his B.S. degree from City College, New York, where he was graduated in 1935. He attained his Master of Arts degree and also his Professional Diploma from the Teacher's College at Columbia University.

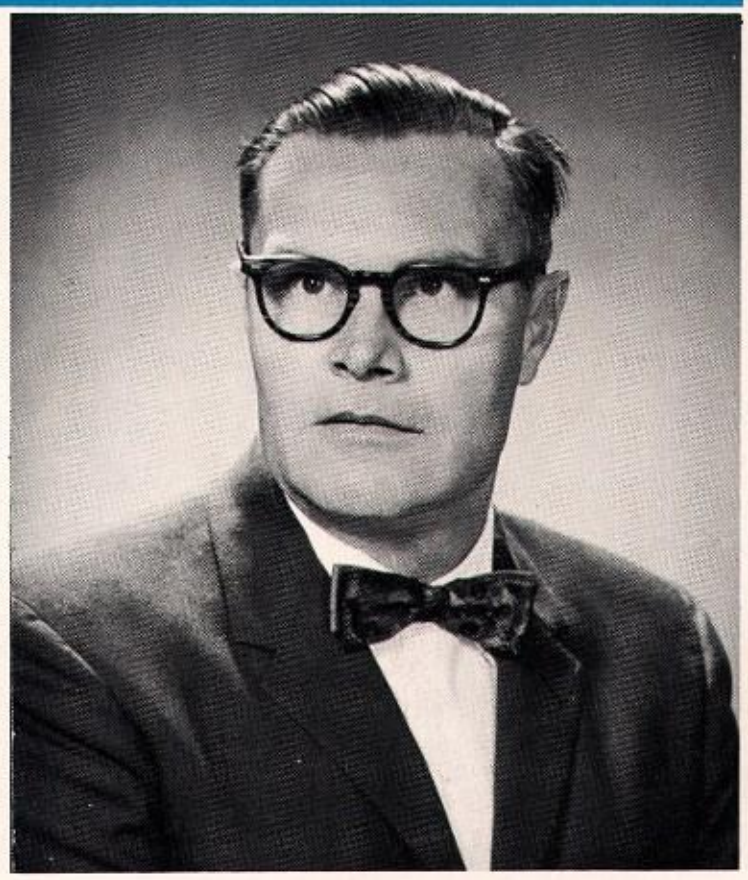
Coming to MHS in 1956, he was one of the original faculty members. Two years later he advanced to the position of Assistant Principal.

MR. AARON UPHOLDS MALE CONDUCT

Experienced in elementary, high school, and college level education, Mr. Lloyd B. Aaron has served as Dean of Boys at McArthur since 1958. His varied background includes 17 years of teaching in Pennsylvania and Florida, 7 years in the business world, and 5 years in the Armed Forces.

Mr. Aaron earned his degrees at Clarion State Teachers' College and Barry College. At present, he is a night instructor at Broward Junior College, the ninth school at which he has taught.

When not busy upholding the rules and traditions of McArthur, our dean may often be found fishing or working in his garden.

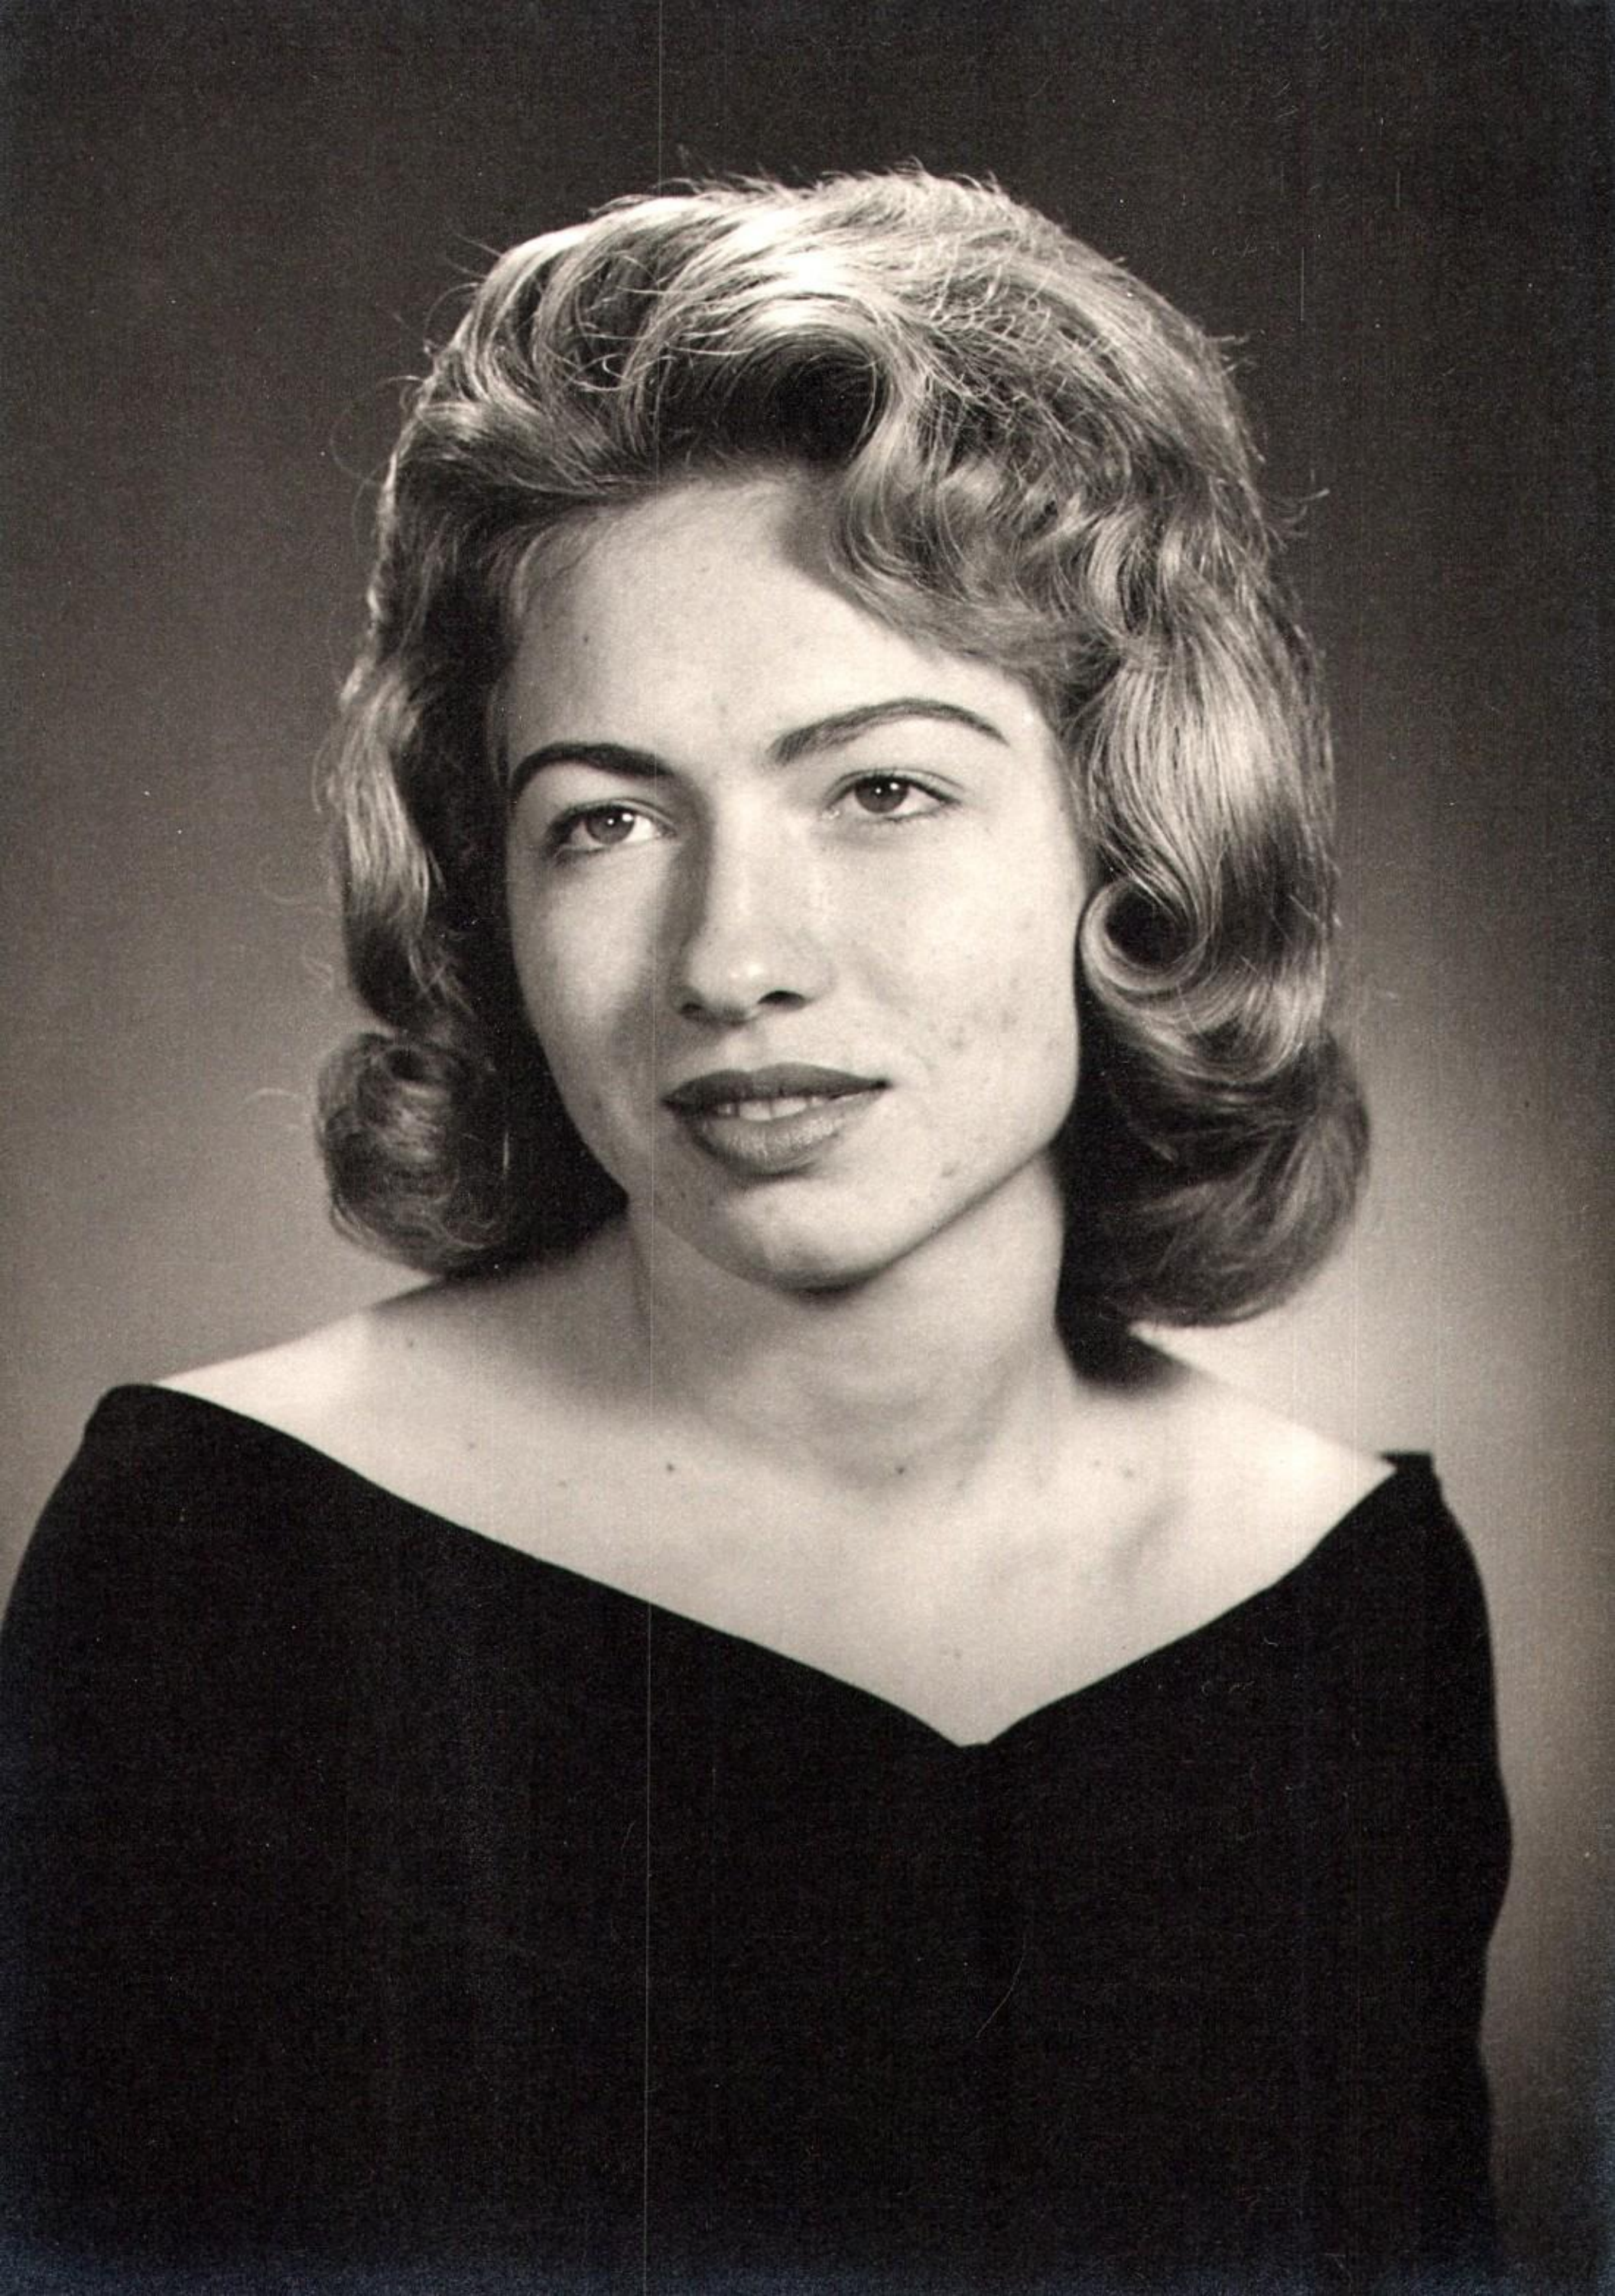


MRS. NORTON HANDLES DISTAFF SIDE

Completing her thirty-fifth year in education is Mrs. Grace Norton, M.H.S. dean of girls. Before joining McArthur's staff seven years ago, Mrs. Norton taught at schools in various parts of Florida.

In her position, our respected dean does a commendable job. She has the responsibility of seeing that traditions of conduct of discipline are upheld. Attendance procedures also come under her jurisdiction.

Mrs. Norton holds both her A.B. and M.A. degrees from Florida State University.



. . . and these have the power to guide, to teach, and to advise.

DEDICATED TO
Bernard Simon

Bernard Simon—teacher, leader, administrator, and friend—has loyally served McArthur, its students, and faculty for seven years. Mr. Simon's first position at McArthur was as a math teacher, becoming assistant principal in 1958. Because of his untiring efforts on behalf of M.H.S. and because he has earned the admiring respect of all, we dedicate the 1963 **Mustang** to him.

We, the members of the **Mustang** staff, in order to record the activities, events, academic studies and students of McArthur High School and to preserve the many memories resulting from the 1963 school year do hereby present the student body with the 1963 **Mustang.**

CLASS SONG

We are the class of '63,
We are the class so gay and free,
We are the ones who shout and sing,
We are the ones who say,
We are the last McArthur High pioneers.

When people stop and ask us,
"Just what class are you?"
We'll say,

We are the class of '63,
We are the class so gay and free,
We are the ones who shout and sing,
We are the ones who say,
We are the last McArthur High pioneers!

McArthur High School's class of '64 returned eagerly to school in September with the knowledge that an exciting year awaited them.

President Mickey Lucas, on behalf of the junior class, accepted "Musty" from senior class president Gene Hardesty and started his class rolling toward June and their senior year.

Throughout the various athletic seasons, the juniors exemplified school spirit as players, cheerleaders, band members, McArthurettes, chorus members, or just plain fans. They also helped form the backbone of the many school clubs and organizations.

The first project of the Class of 1964 for the year was the annual Sweetheart Ball in February. It proved to be a great success as Joanne Paschke and Chuck Robinson were crowned king and queen.

On March 8 and 9, "The Curious Savage" was presented as this year's Junior Class Play. Miss Carolyn Baggett was the teacher-director and had only praise for her talented cast.

March 2 was a red-letter day as the long-awaited class rings arrived. A senior was given the honor of putting each ring on a junior's finger. On June 7, the last day of school, the Class of 1964 turned their rings around and officially became the senior class of McArthur High School.

McArthur High School's class of '64 returned eagerly to school in September with the knowledge that an exciting year awaited them.

President Mickey Lucas, on behalf of the junior class, accepted "Musty" from senior class president Gene Hardesty and started his class rolling toward June and their senior year.

Throughout the various athletic seasons, the juniors exemplified school spirit as players, cheerleaders, band members, McArthurettes, chorus members, or just plain fans. They also helped form the backbone of the many school clubs and organizations.

The first project of the Class of 1964 for the year was the annual Sweetheart Ball in February. It proved to be a great success as Joanne Paschke and Chuck Robinson were crowned king and queen.

On March 8 and 9, "The Curious Savage" was presented as this year's Junior Class Play. Miss Carolyn Baggett was the teacher-director and had only praise for her talented cast.

March 2 was a red-letter day as the long-awaited class rings arrived. A senior was given the honor of putting each ring on a junior's finger. On June 7, the last day of school, the Class of 1964 turned their rings around and officially became the senior class of McArthur High School.

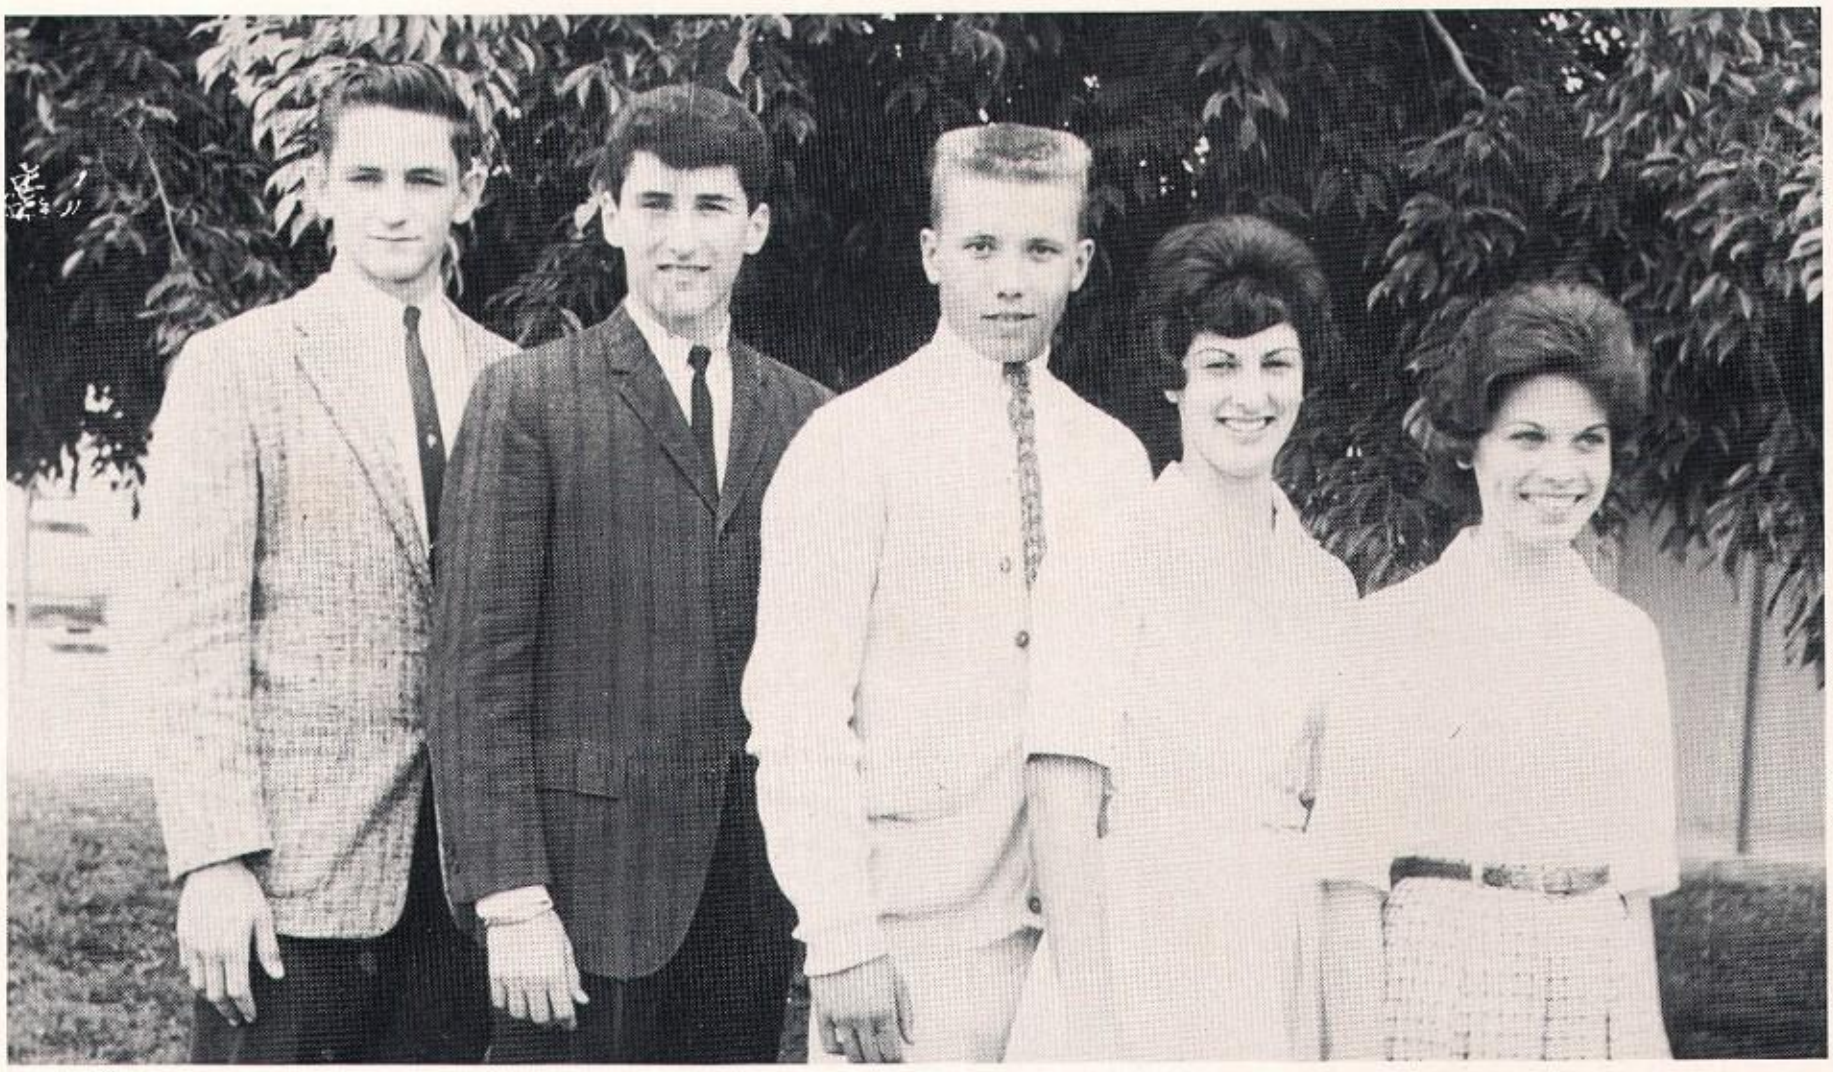
The right of the Sophomore class of McArthur High to vote shall not be denied or abridged by the upper classes on account of previous conditions of servitude.



Parliamentarian Jim Burke; President Al Caruana; Treasurer, Jack McMillian; Secretary, Pam McGowan; Vice President, Vicki Sink.

Mrs. Sonia Smith, sophomore class sponsor, has started her long, arduous, but rewarding, task of shaping the lives of the more than 800 sophomores in the Class of '65.

Mrs. Smith, a Miami area graduate, has advised and guided her class in forming a working nucleus of students for the years to come. This nucleus of officers and representatives is now getting the vital experience in the shaping of class government that is vastly important for the future.

With such a long road ahead, Mrs. Smith is now trying to prepare her class for these coming years. She hopes to make the Class of '65 one of the best McArthur has ever seen.

The class of '65, led by its capable officers, President Albert Caruana; Vice President Vicki Sink; Secretary Pam McGowen; Treasurer Jack McMillian; and Parliamentarian Jim Burke; has begun its journey to becoming seniors.

The class lists among its projects class stationery, shields with school songs inscribed, and collecting stamps for our pool.

Al Caruana, President, states, "We are looking forward to the future."

ness of the game was a fitting tribute to the keen rivalry that exists between the two schools. Records don't count, the game is decided on the field.

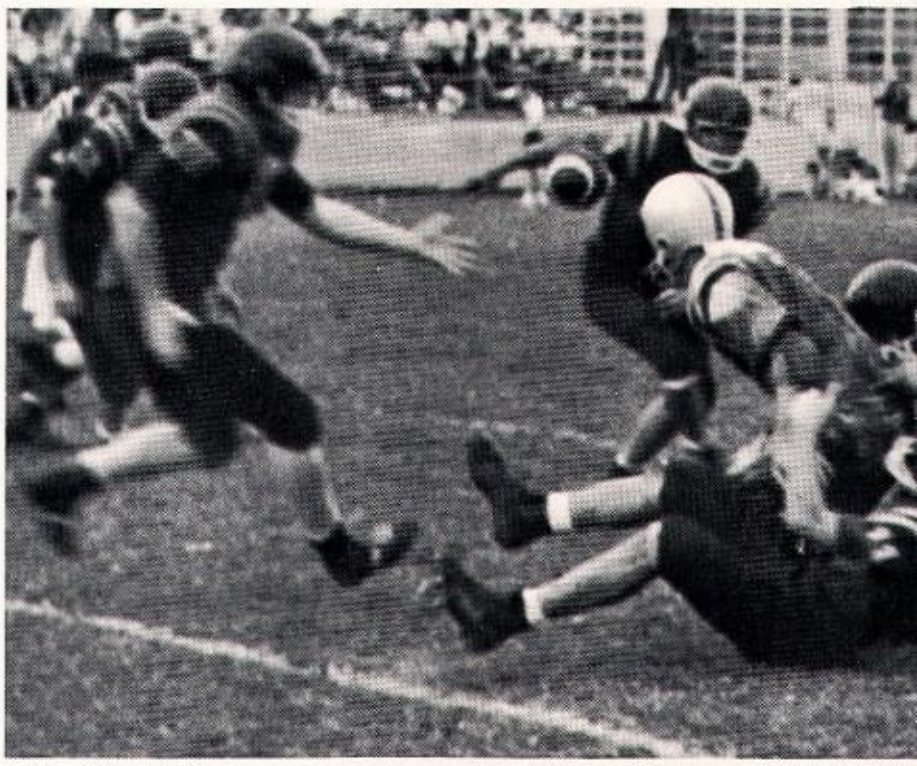
After a week's rest, the Mustangs journeyed to Lockhart Stadium for the third time, with St. Thomas Aquinas as opponents. A large homecoming crowd saw the Raiders go into the fourth quarter with a 13-0 lead, but then the Green came to life. Baker intercepted a pass at midfield and two plays later we had a first down on their 23. A fumble gave the ball to Aquinas, but a return fumble recovered by Ray Moulton put us on the 7. One play later we went in for the score and St. Thomas blocked our try-for-point. A poor Raider punt; runs of 18,11, and 14 yards; and O'Quinn going in from the 3 gave us another TD. Mike McElwee flipped a pass from a fake kick attempt to Baker in the end zone and the game was tied to end scoring for the night.

"Mighty" leads the team onto the field before the Norland game.

Kaydets fall on Mustang ball carrier during Miami Military Academy game.

North Miami rode into the Mustang camp for the third annual McArthur Homecoming needing only one more win to clinch the championship of the Gold Coast Conference, Northern Division. Five plays after the opening kickoff, the Pioneers were in command, 7-0. During the third quarter, with the score 14-0, North Miami attempted the first field goal ever to be tried against McArthur, but the kick was wide. The game ended 21-0 with the Mustangs gaining only 61 yards on offense.

In a Thanksgiving morning battle, the McElweemen met Miami Norland at home in the final game of the season for both squads. The first two times the Vikings had the ball, they scored, and led at halftime 19-0. During the second half, Coach McElwee sent in the jayvee sophomores and they stopped Norland cold. McArthur scored its final touchdown of the year in the fourth quarter on a remarkable catch of a 23-yard Chuck Robinson pass by O'Quinn in the end zone to end the game, 31-6.



Fumble! !

Team captain Jim Ferguson with Sun-Tattler Most Valuable Player trophy.

Jim Ferguson, the only regularly-playing senior on the Mustang squad, guided the team as captain both on the field and in the dressing room. He was the first McArthur football player ever to be chosen to captain the team for an entire season.

At the end of the campaign, Ferguson was voted by the student body to receive the Sun-Tattler Most Valuable Player award. The outstanding guard gained 79,650 points to win over second-place Leon O'Quinn.

McArthur's Junior Varsity team played hard to end with a 2-4 record after dropping two close decisions. However, the boys over-all performance deserves much praise and with their graduation to the varsity squad next year, hopes for a winning season are imminent.

Miss Thomas

The 1962-63 varsity cheerleaders, under coach Beverly Thomas, put forth a new look in cheering this year.

In addition to creating many new yells, the girls wore saddle oxfords and Stetson hats to games and school, hosted the Broward and Norland cheerleaders at pre-game suppers, co-sponsored a Bermuda Dance with the Monogram Club, and chose English teacher Carolyn Barnett as Honorary Cheerleader of the Year. They also served as program directors for pep assemblies, putting on skits and funny episodes as well as leading the student body in cheers.

But being a cheerleader is not all fun and games, as these girls can attest. Diligent and constant practice is necessary in order to have a good squad, and McArthur High School has one of the best.

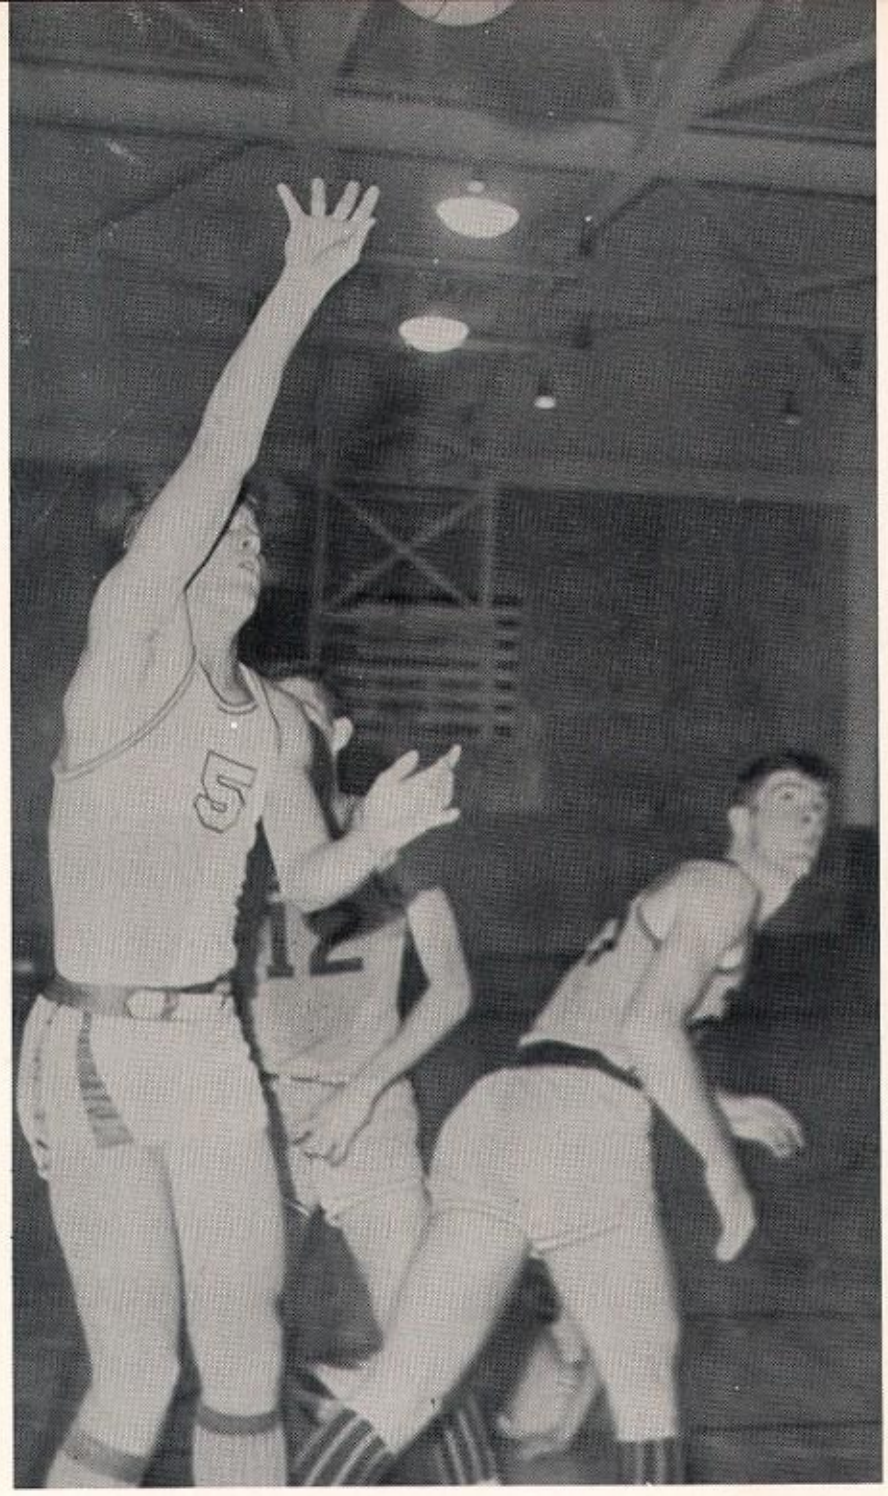
On December 1, 1962, the McArthur Mustangs massacred Miami Christian, 108-15, to start the most successful, 19-8, basketball season in the school's seven-year history. Coach Reid Lowder guided the talented team to a second-place finish in the Northern Division of the Gold Coast Conference behind the champion Pompano Golden Tornadoes.

Before the New Year rolled in, Miami Military Academy, St. Thomas Aquinas, Pine Crest, North Miami, the Christopher Columbus had fallen under our high-flying hoofs. In addition, during Christmas vacation McArthur participated in the Pompano Holiday Invitational Tourney. After defeating Orlando Boone, 74-57, and Coral Gables, 78-70, we faced Pompano in the finals. The two teams matched each other basket for basket until the last five minutes of the fourth quarter when the Tornadoes pulled away to win, 68-60. With this game we added a new trophy to our collection and began a strong rivalry between the two schools. Lenny Albrecht, Don King, and Willie Coates joined seven opponents on the All-Tourney team.

In the first game of 1963, the squad demolished Riverside Military Academy's Kaydets, 71-28. Then, with revenge in mind, the 9-1 Mustangs hosted undefeated Pompano Beach on January 8. As a wildly screaming, capacity crowd watched, the Green rolled up a 27-point advantage in the third quarter and coasted to victory, 76-65. This was the team's finest hour and marked the high point of our successful season as we took over first place in the GCC. It also gave Pompano their first defeat in 33 regular-season games.



Steve Cairns completes layup as Golden Tornadoes watch.

Surrounded! Lenny Albrecht fights to keep the ball from the Pompano Tornadoes during the game that proved to be the most successful of the year.

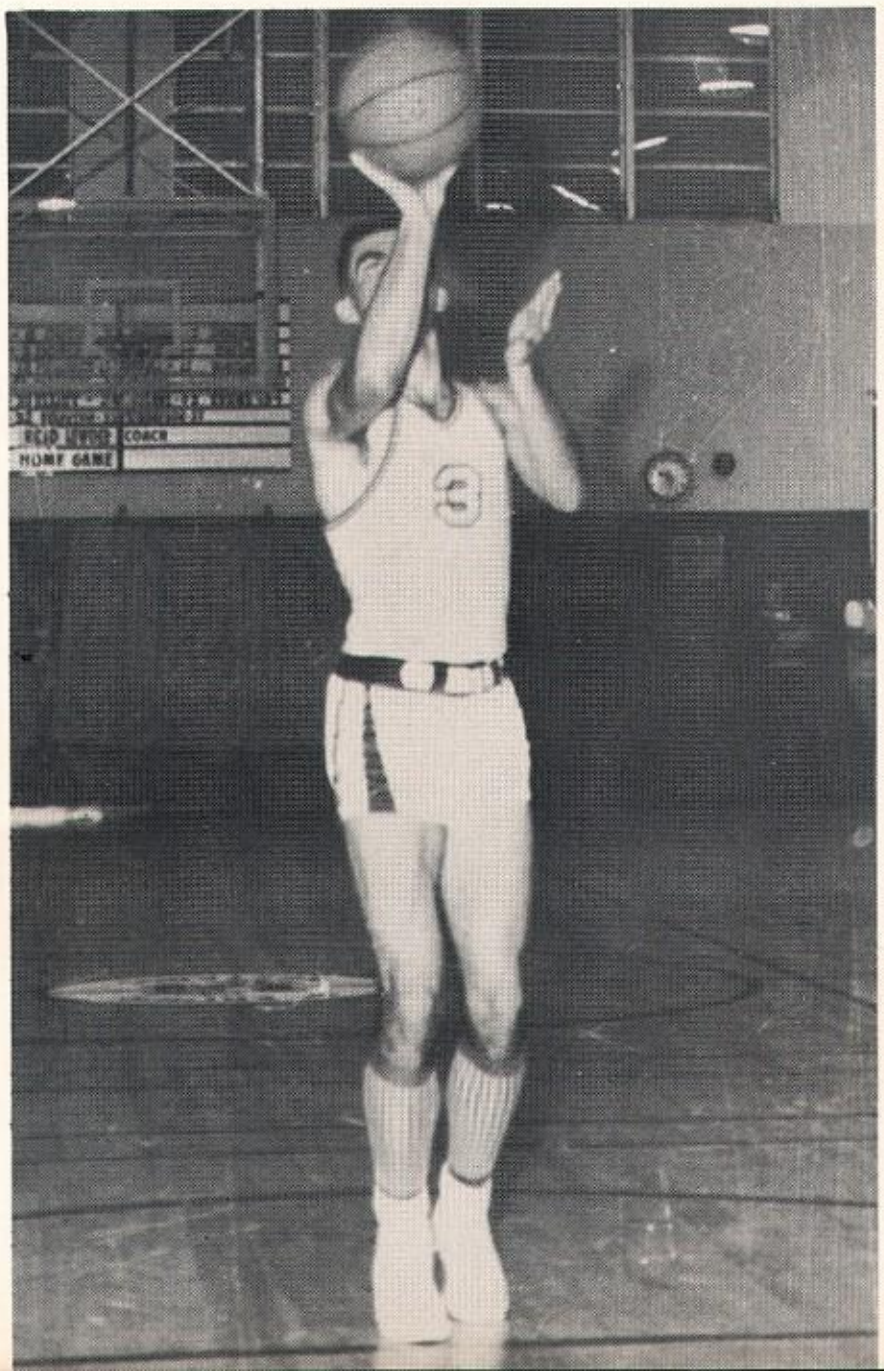
All eyes are on the ball during our second meeting with Broward, in their gym.

Jump ball at the start of the Pompano game — our BIG win of the season.

. . . AND WIN . . .

Al Duty takes a free throw at the end of the last home game of the season.



In the season's final away game, McArthur again blasted Miami Military Academy, this time 87-37. With a large crowd in attendance, the Green and White attempted to close out the regular season with a win in our gym over Stranahan. But the Dragons breathed fire and the Mustangs wilted, 43-53.

Sporting a 17-7 record and high spirits, McArthur visited the Fort Lauderdale High gym for the District 7AA Tournament. In the first round Norland fell to our cagers for the third time, 57-43. Broward's Bulldogs ran into the "L" gym to play the Mustangs in the semi-final round, but they walked out the loser again, 48-45.

The finals of the tournament pitted the fired-up West Hollywooders against their old opponents, Pompano. The Mustangs led throughout the game until only two seconds remained in the last quarter, when Stan Cowherd tripped in a desperation shot to win for the Tornadoes, 78-76. Another runner-up trophy was added to our collection, and Pompano went on to become 1963 Class AA State Champions.

Next year, with the six returning varsity men and new additions from this year's fine junior varsity squad, McArthur is assured of another powerful basketball team with nothing beyond their reach.

Guard Steve Cairns goes up into the air for a jump shot against Pompano's Golden Tornadoes in our gym.

Stranahan guards surround Don King as he controls the ball.

. . . AND WIN!!

The new name board was erected on the south wall of the gym in time for the final home game of the season against Stranahan.

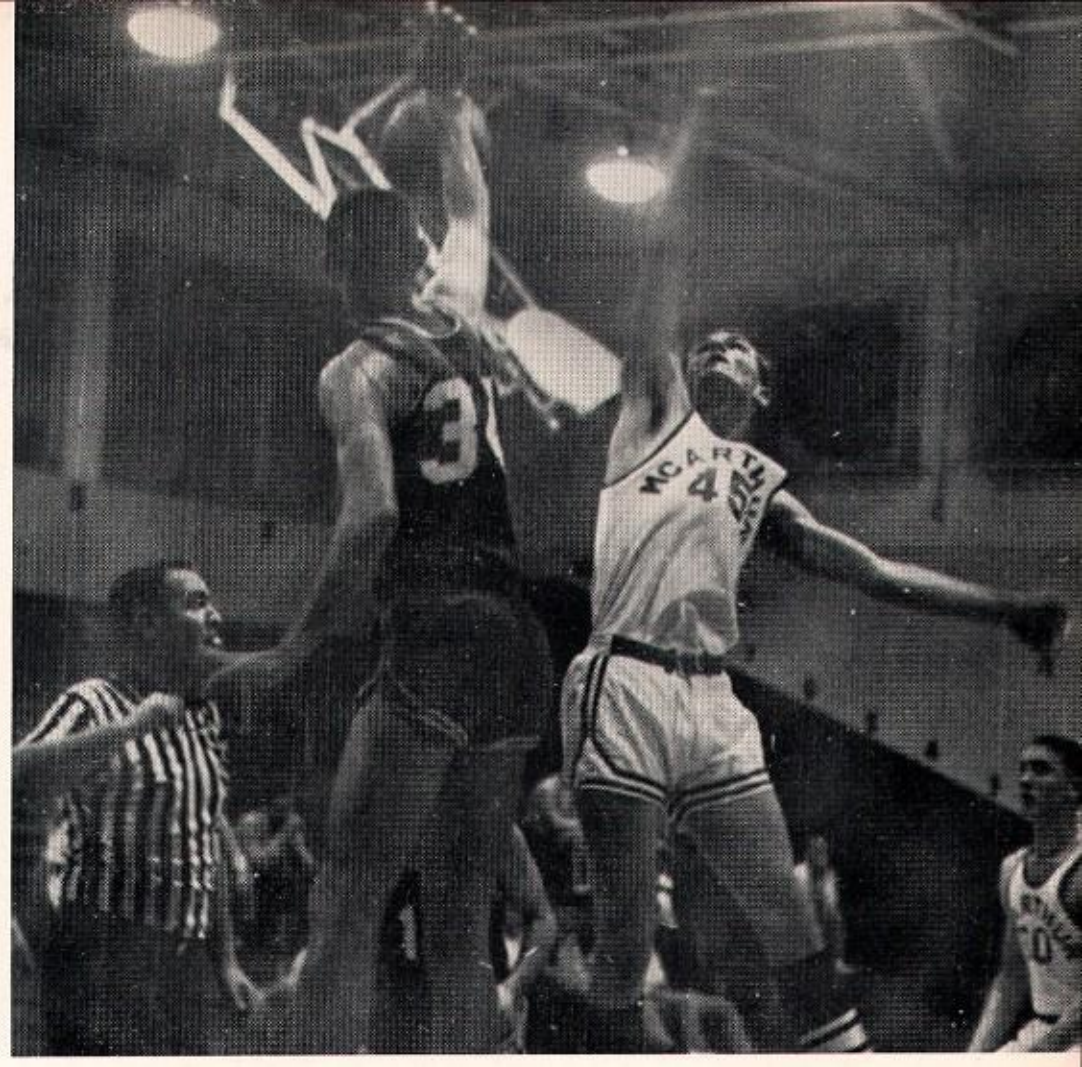
COACH

The Colts, McArthur's junior varsity basketball team, ran up an enviable 15-5 record for Coach Floyd Horgen in his first year at MHS. This also marks the third consecutive year that our sophomore team has lost five or less games.

The squad remained undefeated for six outings until they lost to Pompano's perennially undefeated j.v.'s in our gym. Of the next eight games, the baby Mustangs won five. In the final five contests, they won all but one, losing again to Pompano.

McArthur's excellent showing in junior varsity action this year assures powerful Mustang varsity squads in the years to come and new, gleaming trophies to add to our ever-growing collection.



Each varsity game was preceded by a tense and exciting junior varsity contest.

In early October, ten sophomore and junior girls were chosen to make up the 1962-63 junior varsity cheerleading squad. They joined their varsity big sisters in practice sessions, but still remained a distinct and independent group.

The cheerleaders were selected in time for the final two junior varsity football games and also cheered at the Thanksgiving varsity game against Norland. During basketball season the girls, headed by captain Vickie Sink and co-captain Julie Barile, were on hand at every junior varsity game to cheer the baby Mustangs on to victory again and again.

Four of the cheerleaders were accepted for the 1963-64 varsity squad at tryouts in May.

Coach Bill Gilmartin

McArthur's cross country team achieved the best record in the history of our school as they placed eighth in the state and ran up an imposing string of victories. The harriers also placed third or better in three district meets. Their record in regular season contest was 3-2.

The season opened on October 12 as the Mustangs hosted the Stranahan Dragons and were defeated, 46-16. Four points was the margin of victory as Christopher Columbus outpaced the MHS harriers 27-31. McArthur remained victorious for the rest of the season with impressive wins over Pompano, Miami Beach, and South Broward. In the contest with the Bulldogs, the Mustangs captured five out of seven first places.

In other season activity, McArthur placed: third in the Broward County Meet; fifth in the Flying L Invitational; second in the triangular meet with North Miami and Fort Lauderdale. The important Gold Coast Conference Meet saw the Mustangs walk away with an excellent second-place finish.

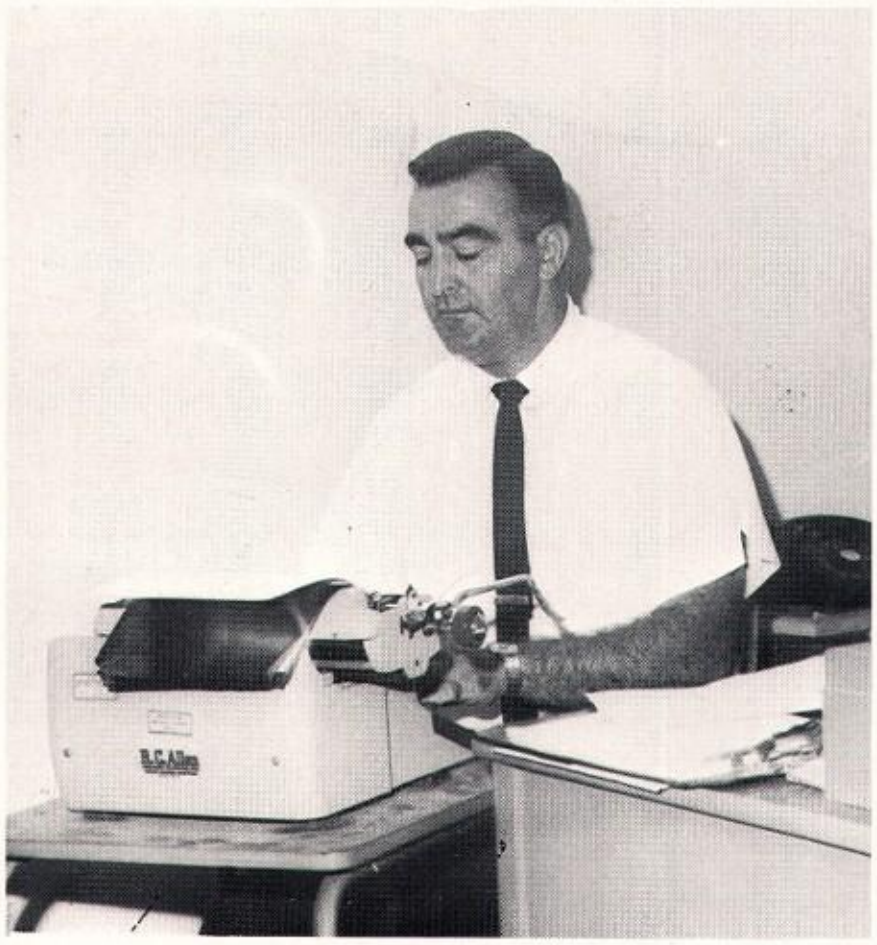
Athletic Director Louis V. Morelli



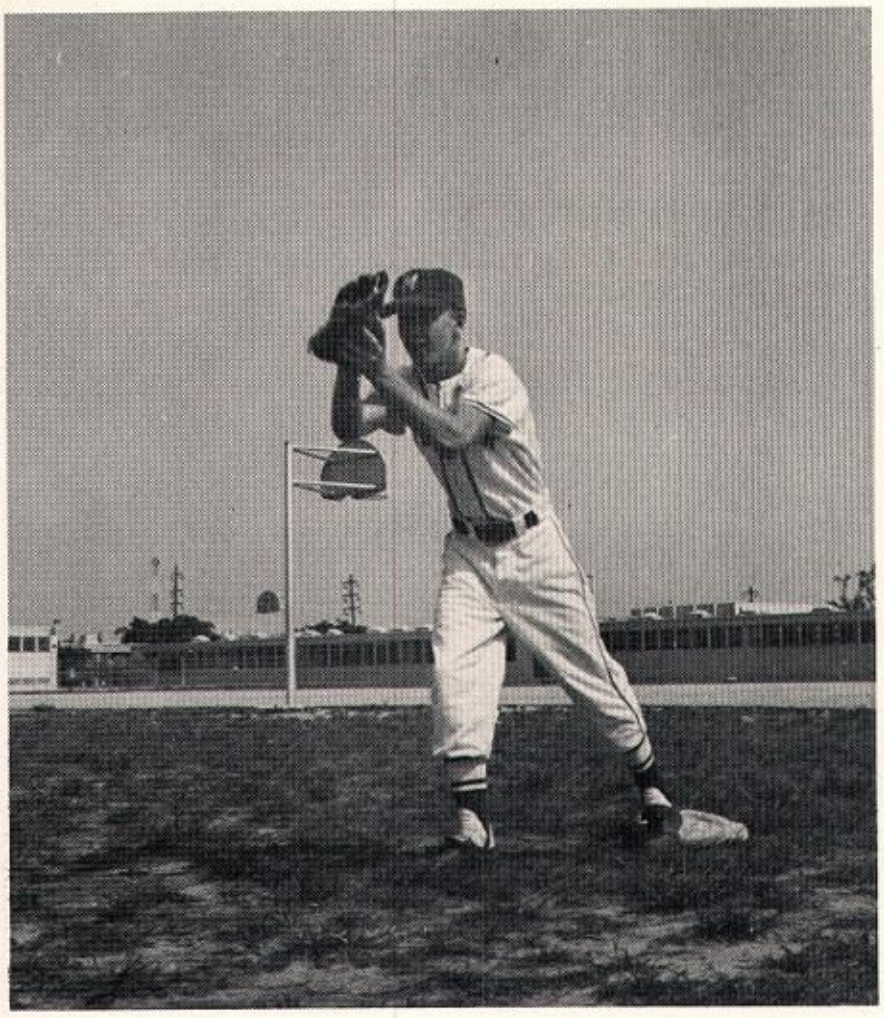
Rendering many valuable services to McArthur High School, Athletic Director Louis Morelli is approaching the closing of his seventh year at MHS.

DURING 1961-62, Mr. Morelli was given Sabatical leave to continue his studies at Southern Illinois University in Carbondale, Illinois. There he secured his Master's Degree in Physical Education. He also served as a physical education teacher and as an assistant coach in football and tennis.

One of Coach Morelli's more outstanding accomplishments was serving as a member of the Board of Directors of the Florida Athletic Coaches Association, representing the coaches in Broward, Dade, and Monroe counties. He also served as Vice President of the Gold Coast Conference in 1960-61. Coach Morelli resigned both of these postions when he was given Sabbatical leave.

In 1961, Mr. Morelli was appointed as representative of the South Florida Coaches to the National Coaches Convention held in Pittsburgh, Pennsylvania.

When asked how he liked serving as Athletic Director, Coach Morelli simply replied, "I love it!"



Much practice goes into the making of a good baseball player.

HAVE WINNING SEASON

In the first year that junior varsity baseball was operated on a Broward County basis, McArthur's team ran up an excellent 5-3 record and gained second place among county teams. The seventeen players met other Class AA junior varsity squads in non-conference competition, since the program was so new.

The opening game saw the Mustangs triumph over the baby Bulldogs, 12-6. McArthur next lost to Pompano, 13-2, but gained revenge later in the season, 2-1. Stranahan's Dragons fell to us 6-5 and 14-7.

Our second loss was to Fort Lauderdale, 6-3, but we bounded back and won over Broward again, 7-5. In the last game of the year, McArthur and Fort Lauderdale battled it out for eleven innings until the Mustangs succombed, 4-3.

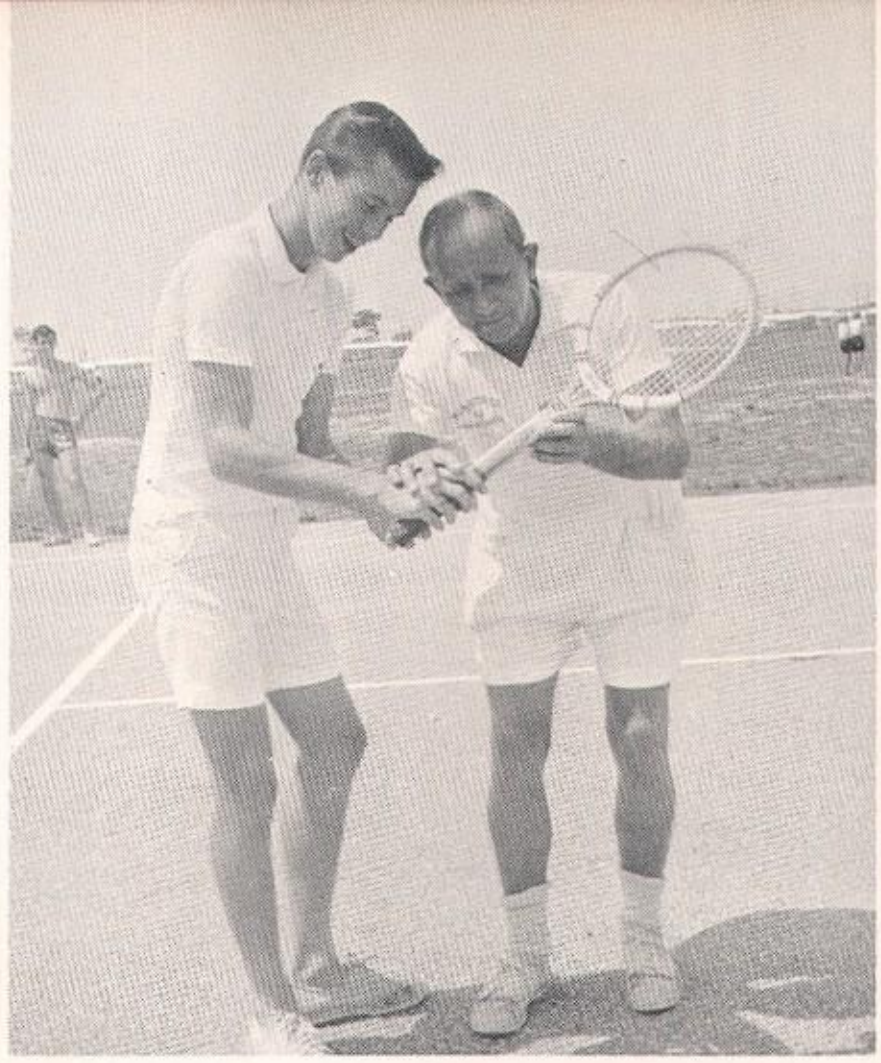
FIRST ROW, LEFT TO RIGHT: Bill Creel, Mike Case, Bill Proctor, Lucien Bergeron, Baird Rogers, Pete Neff, Bruce DeGrove. SECOND ROW: Norman Schearer, Anthony Sirano, Steven Flick, James Ferrari, Bob Feise. THIRD ROW: Bob Boeglie, Anthony Smithson, Donald Krentsa, Ray de la Feuilliez, Robert Fedoritz.

For the second consecutive year, the Mustang boys tennis team won the District 7 Championship. Also turning in McArthur's first undefeated, 8-0, season in interscholastic sports, the MHS netters earned added glories as Northern Division Gold Coast Conference champs, runners-up in overall Gold Coast play, and the seventh top team in the state.

Led by captain and No. 1 man Rick Preston, the boys also brought fame to McArthur with their spectacular play against rival South Broward, snapping a Bulldog 54-game winning streak, a record compiled over the last five years.

Junior No. 2 man John Prevost and sophomore No. 3 player Jay Maggiore each gained singles District Championships in their divisions. They both also gained semi-final berths in the state tournament. Chick Fuller, playing at No. 4 Singles, was District and Gold Coast champion.

Since Preston was the onlv senior on the squad, McArthur's chances for a third consecutive District championship as well as added GCC and state laurels are extremely high.



Coach Alex Cmaylo instructs Chick Fuller in the fine art of volleying.

Hard playing and long practice sessions bolstered the Mustang girls tennis team to a 3-5 season record. Bettering last year's record, the girls also achieved a sixth-place ranking in Gold Coast competition and finished fourth in District 7 play, just missing a trip to the state tournament in Tallahassee.

Strong with underclassmen, the girls were led by No. 1 player Christy Johnson, a junior. Lone senior Sonia Hoover paired with Gold Coast champion Beth Fuller for the No. 2 doubles to a net finalist bracket in the District tournament. Number 4 girl Natalie Motise teamed with Christy in No. 1 doubles and sophomore Charlene Theiss rounded out the five-girl squad.

SWIMMERS GAIN EXPERIENCE

In spite of 1-8 boys' and 3-6 girls' records, McArthur swimming teams never lost their spirit and will to win.

The overall records, of both squads showed marked improvement over last year as the boys ended a 22-game losing streak by defeating South Dade and the girls won their first in 29 at the same time. The female Mustangs also triumphed over Miami Beach and South Dade for the second time. In four of the boys' meets, the winners finished with no more than an 8-point margin over the Mustangs.

Boys coach John Pandak, new to MHS this year, stated, "The prospects for swimming at McArthur next year seem a bit on the brighter side, because of our returning lettermen and junior high prospects coming up."

With a new pool for McArthur in the near future, a summer swimming development program will be begun in West Hollywood, which will provide championship Mustang swimming teams in the years to come.

SUCCESSFUL SEASON

McArthur High's junior-laden track team turned in an excellent 1963 record in dual and triangular meets as well as district competitions and Invitationals.

In the first regular meet of the year, the Mustangs defeated Riverside Military Academy, 87-39. The end of March saw them participating in the Miami High Relays and the Flying L Relays.

McArthur won third place in both the Broward County and Northern Gold Coast meets. In overall Gold Coast competition they placed ninth out of 17 teams.

On May 3, Regionals were held at Lockhart Stadium in Fort Lauderdale. The Mustangs gained 4th place and had 5 cindermen qualify for the state tournament.

Also in May the Fourth Annual Florida High School Decathlon, begun by Coach Gilmartin in 1950, took place on McArthur's oval. A total of 22 trackmen from schools all over the state participated with Leon Avery of Tallahassee Florida High capturing first place. Junior Lenny Albrecht finished an excellent fourth for MHS.

Next year, with the Gold Coast Champion junior varsity team on the varsity squad, McArthur should be unbeatable in track competition.

GOLF TEAM GAINS EXPERIENCE

The 1962 year of building paid high dividends as the Mustang golf team turned long hours of practice into a successful 1963 season. The boys managed a 5-6-1 record in regular competition, and were ranked ninth in the District and thirteen in Gold Coast play.

Highlighting this season's victories were the spectacular 5-0 opening rout of North Miami, a 3-2 comeback win over Pine Crest, and a 3-2 squeeker with rival South Broward.

Captain Jim Greenwood and sophomore sensation, Mike Hines, turned in fine showings for the Mustangs. With Mike and letterman Cliff Merz returning next year, Coach Ron DeLilla has reason for even higher hopes in 1964.

Those little white balls sure do end up in the oddest places!

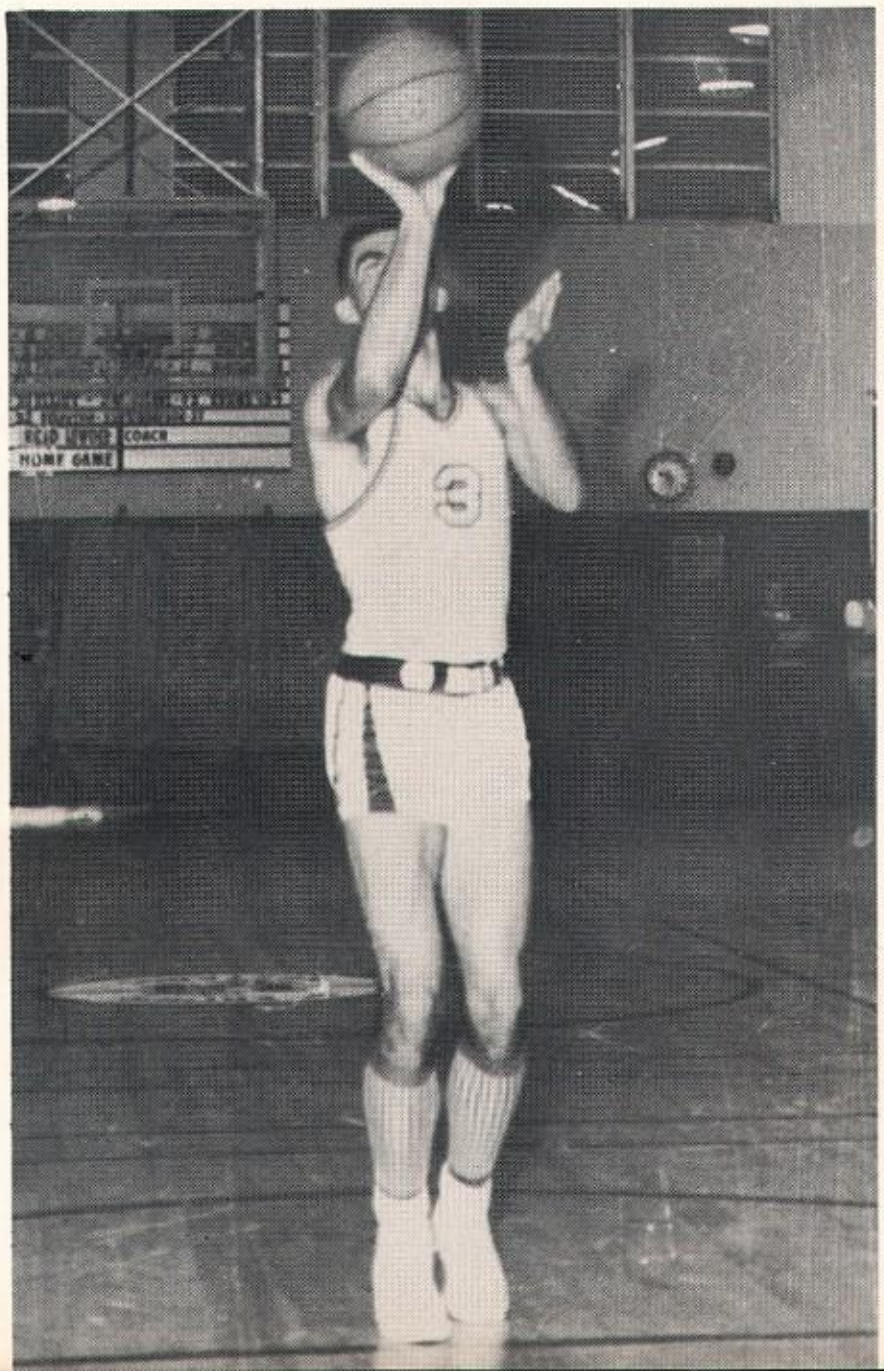
. . . AND WIN . . .

Al Duty takes a free throw at the end of the last home game of the season.



In the season's final away game, McArthur again blasted Miami Military Academy, this time 87-37. With a large crowd in attendance, the Green and White attempted to close out the regular season with a win in our gym over Stranahan. But the Dragons breathed fire and the Mustangs wilted, 43-53.

Sporting a 17-7 record and high spirits, McArthur visited the Fort Lauderdale High gym for the District 7AA Tournament. In the first round Norland fell to our cagers for the third time, 57-43. Broward's Bulldogs ran into the "L" gym to play the Mustangs in the semi-final round, but they walked out the loser again, 48-45.

The finals of the tournament pitted the fired-up West Hollywooders against their old opponents, Pompano. The Mustangs led throughout the game until only two seconds remained in the last quarter, when Stan Cowherd tripped in a desperation shot to win for the Tornadoes, 78-76. Another runner-up trophy was added to our collection, and Pompano went on to become 1963 Class AA State Champions.

Next year, with the six returning varsity men and new additions from this year's fine junior varsity squad, McArthur is assured of another powerful basketball team with nothing beyond their reach.

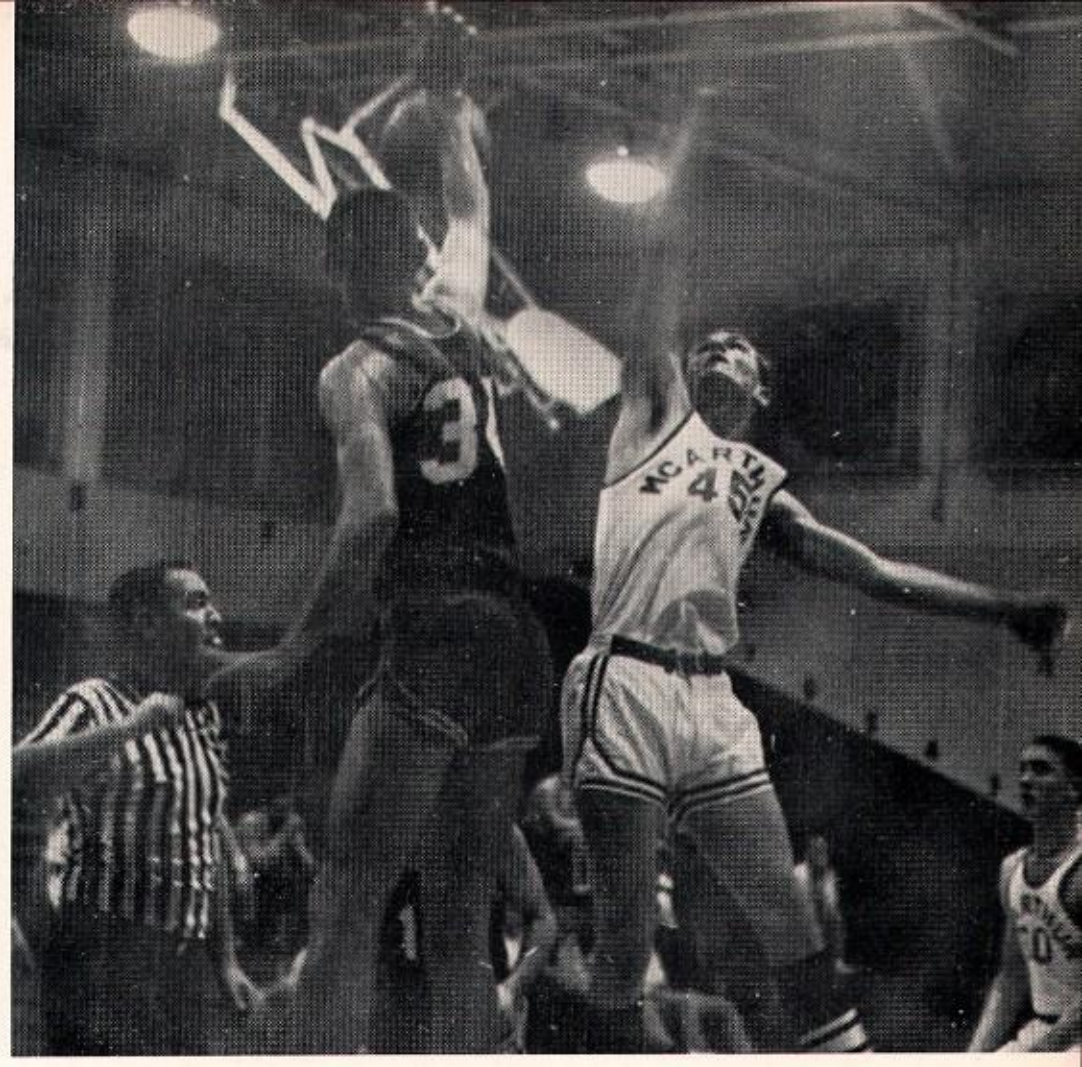
The Colts, McArthur's junior varsity basketball team, ran up an enviable 15-5 record for Coach Floyd Horgen in his first year at MHS. This also marks the third consecutive year that our sophomore team has lost five or less games.

The squad remained undefeated for six outings until they lost to Pompano's perennially undefeated j.v.'s in our gym. Of the next eight games, the baby Mustangs won five. In the final five contests, they won all but one, losing again to Pompano.

McArthur's excellent showing in junior varsity action this year assures powerful Mustang varsity squads in the years to come and new, gleaming trophies to add to our ever-growing collection.



Each varsity game was preceded by a tense and exciting junior varsity contest.

McArthur's cross country team achieved the best record in the history of our school as they placed eighth in the state and ran up an imposing string of victories. The harriers also placed third or better in three district meets. Their record in regular season contest was 3-2.

The season opened on October 12 as the Mustangs hosted the Stranahan Dragons and were defeated, 46-16. Four points was the margin of victory as Christopher Columbus outpaced the MHS harriers 27-31. McArthur remained victorious for the rest of the season with impressive wins over Pompano, Miami Beach, and South Broward. In the contest with the Bulldogs, the Mustangs captured five out of seven first places.

In other season activity, McArthur placed: third in the Broward County Meet; fifth in the Flying L Invitational; second in the triangular meet with North Miami and Fort Lauderdale. The important Gold Coast Conference Meet saw the Mustangs walk away with an excellent second-place finish.

In the first year that junior varsity baseball was operated on a Broward County basis, McArthur's team ran up an excellent 5-3 record and gained second place among county teams. The seventeen players met other Class AA junior varsity squads in non-conference competition, since the program was so new.

The opening game saw the Mustangs triumph over the baby Bulldogs, 12-6. McArthur next lost to Pompano, 13-2, but gained revenge later in the season, 2-1. Stranahan's Dragons fell to us 6-5 and 14-7.

Our second loss was to Fort Lauderdale, 6-3, but we bounded back and won over Broward again, 7-5. In the last game of the year, McArthur and Fort Lauderdale battled it out for eleven innings until the Mustangs succombed, 4-3.

The 28 members started the year with a car wash to raise money for a needy family. They took food baskets to the family on Thanksgiving and Christmas. The girls also sent Easter cards to patients at a rest home and visited a Cuban kindergarten with dyed eggs, candy, and cookies.

Other projects of the busy club were maintaining their "Mile of Pennies" to aid the Library, giving the flag salute and Bible readings in the morning, and monitering at home basketball games and the teachers' parking lot.

Linda Rollins and Paula Drady attended the Youth in Government Conference. During the year members also attended the Officers' Training Conference in Fort Lauderdale, Passion Play, and Pre-Legislative Conference at Miami Military Academy.

Tri-Hi-Y girls decorated the Christmas trees in the cafeteria again this year and held a cake walk at the YMCA Circus.

Another first for South Florida sports was the addition of interscholastic track on the junior varsity level, and McArthur's Colts proved to be the best.

In regular season meets, the most spectacular win was a crushing 93-29 victory over Northeast on March 8. Two weeks later, the Mustangs lost the Broward County championship to Stranahan by two points, 64½-62½.

However, revenge is sweet, and McArthur's j.v.'s got theirs on April 6 as they swept to victory in the Northern Division Gold Coast Conference finals. Then, on April 11, the fired-up sophomores had their finest hour as they captured first place in overall GCC competition.

What a threat these Colts will bring to varsity teams in '64!

STUDENT COUNCIL ACHIEVES REPRESENTATION . . .

Because of the great influx of students at MHS, the former plan of representation for the school's Student Council could not be carried out. Therefore, a plan had to be devised to cut down the number of representatives and yet have equal distribution within each class. This problem was solved by President, Victor Varkonyi, who devised our present plan and made equal student representation possible.

The Legislative Body as well as the Executive officers worked hard to arouse enthusiams by selling pep tags, which provided the funds for the Council to function.

District 6 Student Council Convention was also attended by our seven leaders. Here they captured many ideas for activities and Student Government improvement that were later put into effect.

Student Government Elections required a great deal of time, effort, and perseverance, but concluded in a happy ending.

The obligations, efforts, and hard work that our Student Council leaders must endure constantly prove that the offices held are not merely popularity seats.

BEL CANTOS PERFORM "THE MESSIAH"

The Bel Cantos, McArthur's Advanced Chorus, enjoyed an active and enriching year.

The choir's many activities included the performance of Handel's "Messiah", the beautiful musical story of the coming of Christ. Also during the Christmas season, the group sang at the annual Yuletide assembly and again at the carol sing.

The chorus was enjoyed at other functions such as the National Honor Society induction ceremony and regular school assemblies. They also performed for the Classroom Teachers Association and participated in the County Choral Festival.

Congratulations are in order for the Bel Cantos whose efforts and talents were rewarded when they received a superior rating at both district and state contests.

THESPIANS HOLD UNUSUAL INITIATION

The Thespian Club had two initiations this year. New members had to write and present a one act play. Afterwards they had to go through a rigid questioning by the old members. A second initiation was held in February for the new National Thespians. Each inductee had to come to school dressed as a famous character from a play. When asked by a Thespian, they would have to perform their act. The new members were glad when the day ended but MHS students enjoyed watching the proceedings.

The club took a great part in working backstage on the Junior and Senior Class plays. They also helped with the "Shattered Shakespeare" assembly for the Seniors.

This is the first year McArthur has had a National Thespian chapter. To become members the students completed 100 hours of working on or behind stage.

FIELD TRIPS HIGHLIGHT V.O.E. YEAR

The 29 V.O.E. girls this year made several fields trips. The class sent representatives to the National Secretarial Association, Broward International Airport, Hollywood Citizens Bank, post office and Hollywood Federal.

Under the leadership of Miss Jean Henwood, members studied Business English, shorthand II, and secretarial office practice. They used the most modern equipment including a fluid duplicator mimeograph machine, ten-key adding machine, full-key calculator and electric typewriters.

With limited funds and limitless energy the McArthur HI-Times staff and their sponsor, Miss Fran Morris, published an interesting and informative paper.

Each of this year's six issues contained news of interest to all students. Included were sports, club activity news, bulletins, features, editorials and opinion polls.

Congratulations go to its editor Janice Scheiffley, sponsor, Fran Morris, and staff.

MONOGRAM SPONSORS TWO DANCES

Each McArthur girl had her chance to ask the boy of her dreams to the Monogram Club's annual Sadie Hawkins dance. It proved such a success that a Bermuda Hop was held later in the spring. The proceeds from these two affairs were given to the various sports funds to help with their needs.

Other contributions to MHS were a basketball board with the players' names and numbers that was placed in the gym, and also a trophy was given to the track team.

During our Thanksgiving vacation the club gave a basket to a needy family. Also the members sponsored the annual Coaches-Athletes picnic held on May 27.

Throughout the year the Monogram Club has done much to promote school spirit at MHS.

STAMP AND COIN CLUB DISPLAYS VALUABLE COINS

Exhibiting coins in the library showcase was the main project of McArthur's Stamp and Coin Club. Many valuable and interesting coins were included in the two week display which caught the attention of many MHS students.

At club meetings, held twice a month, members exchanged stamps and coins and discussed events relative to their hobbies. The December meeting featured a Christmas party.

The choir's many activities included the performance of Handel's "Messiah", the beautiful musical story of the coming of Christ. Also during the Christmas season, the group sang at the annual Yuletide assembly and again at the carol sing.

The chorus was enjoyed at other functions such as the National Honor Society induction ceremony and regular school assemblies. They also performed for the Classroom Teachers Association and participated in the County Choral Festival.

Congratulations are in order for the Bel Cantos whose efforts and talents were rewarded when they received a superior rating at both district and state contests.

THESPIANS HOLD UNUSUAL INITIATION

The Thespian Club had two initiations this year. New members had to write and present a one act play. Afterwards they had to go through a rigid questioning by the old members. A second initiation was held in February for the new National Thespians. Each inductee had to come to school dressed as a famous character from a play. When asked by a Thespian, they would have to perform their act. The new members were glad when the day ended but MHS students enjoyed watching the proceedings.

The club took a great part in working backstage on the Junior and Senior Class plays. They also helped with the "Shattered Shakespeare" assembly for the Seniors.

This is the first year McArthur has had a National Thespian chapter. To become members the students completed 100 hours of working on or behind stage.

Besides accepting the responsibility for the upkeep of the Valedictorian-Salutatorian plaque, the NHS awarded a scholarship to a deserving senior and awarded individual plaques. Their busy schedual was interrupted for a Christmas party before vacation.

In March, new members were inducted at a special assembly and a reception was held afterward for them and their parents.

PEGASUS ARRIVES AT McARTHUR

McArthur's new literary magazine, Pegasus, was first published in January. The Pegasus Club was formed and ten members were chosen to serve as the editorial board. They judged many stories and poems received from McArthur students. A five dollar award was presented to the writer of the best entry in each category.

The Pegasus Club was also responsible for writing the lyrics and dialogue for a musical comedy, "The Other Side of the Mirror," presented by the advanced chorus on May 31. Mr. Smith's music theory class composed the music.

All was quiet. The sunlight danced upon the calm, serene water of the pool. In a moment the complacency was shattered as a cry was heard—a shout which echoed, "Last one in is a Sophomore." Over 400 eager seniors plunged excitedly into the cool, refreshing water. This was the scene at the Hallandale City Park on June 5.

To make everything perfect, a tempting, delicious luncheon was served. Fried chicken, baked beans, slaw, bread, potato chips, ice cream, and coke made this luncheon most delightful.

SENIORS FALL FOR SKATING PARTY - JUNE 6, 1963

Laughing, a bruised and battered senior pulled himself from the floor and happily skated onward. This picture was seen many times at the Senior Skating Party on June 6 at the Johnson Street Skating Arena.

As the happy arrivals entered the arena, enthusiasm was at its height. However, some were disappointed when the supply of skates dwindled down to odd sizes that would not fit. Eventually, almost everyone had his turn on the floor.

Different activities were included during the wonderful hours from 9 a.m. to noon: Boy and girl relay races, dancing triplet skating, and other fabulous events.

Indeed, the Skating Party was a barrel of fun. The blisters, bumps and bruises, will be remembered for a long, long, time. One enthusiastic senior said, "I'll never forget the fun I had today."

JUNE 1, 1963

Senior Week began with the excitement and romance of the Senior Prom on June 1 at the Golden Gate Convention Hall on Miami Beach.

During the magic hours from 8 to midnight, starry-eyed couples drifted about the dance floor to the music of Ed Morris and his band.

Punch and cookies were served at the gala occasion, and each table was decorated with beautiful gladioli.

Entertainment highlighted the grand event as Pete Loffredo and Diane Albert, our two wittiest seniors, read the class prophecy. Vic Varkonyi played a piano solo from "The Other Side of The Mirror" and also accompanied Janet Mangiameli and her Quartet as they sang "Ignatz" from the same production. Mary Ellen Hibbard and Gary Uildricks sang several beautiful solos.

The Senior Prom was a wonderful success, and the romance and excitement enjoyed by all will live in the hearts of each graduate throughout the years to come.
